The bed features a tufted headboard and a matching ottoman, both in a light beige, textured fabric. The headboard is accented with a horizontal gold bar. The bed is dressed in a brown duvet and several pillows. A bedside table with a gold handle holds a lamp and a book. The room is lit by a modern, spherical pendant lamp hanging over the bed.

The vanity area includes a white desk with gold handles and a large, round, white mirror. A white, tufted chair is positioned in front of the desk. On the desk, there are several small decorative items, including a vase with greenery and a small plant. The mirror is mounted on a wall with vertical paneling.
